To Whom It May Concern,

I am writing to highly recommend Stuart Tarnowski for Chronic Care expertise. Our organization, Foothills Neurology, has worked with Stuart since 2025, and our experience has been consistently positive. Throughout our partnership, Stuart has demonstrated a strong commitment to quality, reliability, and professionalism. He has provided us a gateway into the CCM world and has consistently met or exceeded our expectations.

One example of his exceptional performance was when we launched CCM. Stuart was there to help us every step of the way. He promised to support us and he came through every time. He has been particularly valuable to our organization. In addition to his technical capabilities, Stuart is a pleasure to work with. He is responsive, detail-oriented, and committed to delivering results. His professionalism and integrity have made him a trusted partner. I confidently recommend Stuart to any organization seeking his expertise. I am certain he will bring the same level of excellence to your organization as he has to ours. Please feel free to contact me if you would like additional information.

Sincerely,

AnnMarie Coyolt
